

Lombardi Avenue (County VK) Interchange

Schedule:

March through September 2012

Location:

Lombardi Avenue (County VK)
and US 41
Brown County

About the US 41 Project:

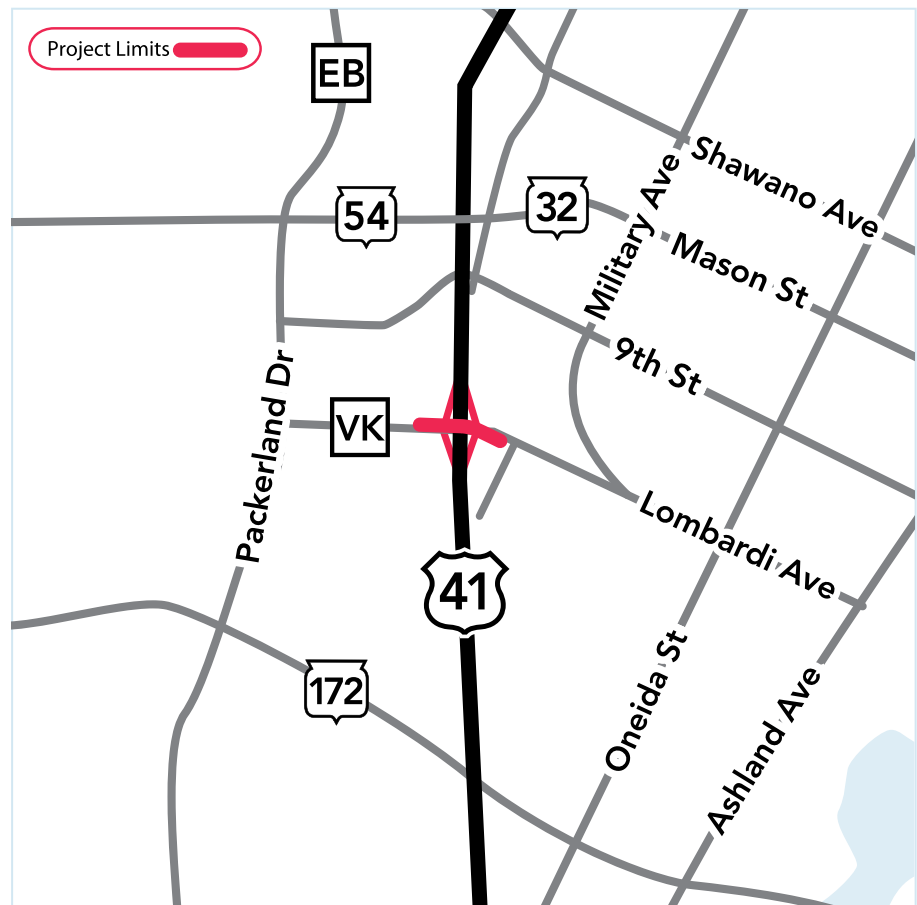

Construction work on the US 41 Project will span over 14 miles in Brown County from 2010-2017, and 17 miles of highway in Winnebago County from 2009-2014.

The project includes:

- traffic lanes expanded from four to six-ten lanes
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 40 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

Questions?

- Visit the project website online at **www.US41wisconsin.gov**

Lombardi Avenue (County VK) Interchange

Project Construction Timeline March through September 2012

At the **Lombardi Avenue (County VK)** interchange in Brown County, WisDOT will:

- Reconstruct ramp intersections to accommodate dual lane ramps.
- Include extensive landscaping and Community Sensitive Design (CSD) elements.
- Construct a crash investigation site west of **US 41**.
- Construct dual southbound turn lanes (west to south movement).
- Replace existing rural section west of **US 41** with urban section.
- Complete grading for future pedestrian accommodations.

(See other side for Traffic Impacts)

TRAFFIC IMPACTS

Lombardi Avenue (County VK) Interchange

March – August 2012

- 1 Two lanes of traffic remain open in each direction. The **Lombardi Avenue** interchange ramp intersections will be reconstructed, but not closed to traffic.

August – September 2012

- 2 Traffic on **Lombardi Avenue** will be restricted to one lane in each direction along a short segment near **Shady Lane/Wood Lane**.
